I have my flat in the center of the city.
It's very good because I have everything near to my flat, for example: train station, bus station etc.
I just have to cross the road and there is children care and I just have to go straight on and there is Odeon cinema.
Near of me only five minutes is Asna I go every day to buy things that I need for my flat.
The shops are close to, near of me is Victoria Centre and there are many shops for clothes, beauty and everything that you need. Only bad thing is ^{neighbors} are very noisy.
See you soon: MERATU
