Last year I've finished English language course for entry 3. It was a fantastic time. All course material was very helpful and our teacher was very nice and professional. I was very happy because I've passed all three exams - speaking					

and listening, writing and reading.
And end of August I had a diploma
for my English entry 3.

This year I decided to go forward
and join English language course
Level 4. I like Southam collage
because its very friendly and not
far away from my home. In another
way I already know alot people
from last year English course and they
become my friends and we carrion
learning English at level one. I like
it to have help if I need from teacher.
What I disliked? I don't know! I like
everything from A to Z.

Fantastic time at Jazz Restaurant

I like ~~the~~ ^{more} jazz and good food too. Just what I went last Friday in Jazz Restaurant on Long Road Southam.

At first a building look very green and look after. Very many flowers and hanging basket with colorful plants. From main door you can see a lovely bar and little stage with musicians. At Fridays in Jazz Restaurant playing Jazz Trio. I like a jazz standards and musician was a professional and in good and friendly mood:

"Good evening sir" - one of trio players say to me. I was luck with live music and enterent to restaurant.

Smell of freshly cooked

food came in my nostrils. Smell
same like music was nice and
soft.

Bar tender ask me what I
would like for drink and friendly
smile to me. Waitres show me
my table and give me menu.
~~the~~ smile to me too.

I had for starter fish cake
and for main course Salmon file~~t~~.
For dessert I had pancake with
dark chocolate and strawberries.

From my point of view Jazz
Restaurant had 11 points out of
10.

Only one thing what I disliked
it was rain~~side~~ outside.

So If you like jazz music and
good food with friendly atmosphere -
Jazz Restaurant on 27 Hong
Road South~~side~~ Witing for you.
