Level 1		Martin Corusa
Task 1		
3.1 Complete a form with open and closed responses correctly.	✓	Appropriate responses indicate form filling instructions and conventions have been understood. Minor error does not impede functionality.
2.1 Produce content appropriate to purpose.	✓	Relevant information has been included to achieve purpose. The candidate has answered the question.
2.5 Use punctuation correctly	✓	Punctuation has been used as appropriate to task – minor errors do not impede communication. The candidate has used capital letters for the form but demonstrated correct use of upper and lower case in the open response.
2.6 Spell words accurately.	x	Although some words have been spelled correctly, common words for the level have been misspelled.
Task 2		
2.1 Produce content appropriate to purpose.	✓	The layout is appropriate and relevant information has been used to achieve purpose. The candidate has answered the question.
2.2. Use appropriate language for a given task.	✓	The register is appropriate and there are examples of L1 vocabulary and idiomatic language.
2.3 Structure text in a logical sequence for purpose. .	✓	In general – paragraphs are clearly structured. Candidate has organised the writing logically using discourse markers and connectives.
2.4 Use grammar correctly	x	Candidate has been unable to produce 5 correct sentences using L1 grammar. The tense range is limited and there are several inaccuracies using entry level structures.
2.5 Use punctuation correctly	✓	Punctuation marks have been used as appropriate to task. Minor errors evident.
Task 3		
1.1 Plan text for a specific purpose.	✓	A relevant plan has been produced.
2.2. Use appropriate language for a given task.	✓	Register is appropriate to task and some examples of L1 vocabulary have been used.
2.3 Structure text in a logical sequence for purpose.	x	The candidate has used paragraphs but with limited evidence of discourse markers and connectives for the level and task.
2.4 Use grammar correctly.	x	Candidate has been unable to produce 5 correct sentences using L1 grammar. The tense range is limited and there are several inaccuracies using entry level structures.
1.6 Spell words accurately	x	Several words have been spelled incorrectly. In some instances, errors impede communication.
OVERALL RESULT:		**UNSUCCESSFUL**
