

ESOL Skills for Life Reading and Writing Assessment Rules

Once the Invigilator announces that candidates are under Assessment Conditions, they are **not** allowed to speak or communicate in any way with each other during the assessment without risking disqualification.

If a learner needs to use the toilet, they must raise their hand and wait for an Invigilator to escort them.

Learners who leave the Assessment Room unescorted **will not** be re-admitted into the Assessment Room.

If a problem occurs, the learner should raise their hand and wait for an Invigilator.
