

Speech International Assessment Fees (Excluding UK and Europe) 2022/2023

Assessment periods will comprise a minimum of 3 consecutive days. Additional days/weeks may be booked.

- The examiner may assess at different Centre's during the assessment period within a geographical area.
- There are no additional charges made by ESB to individual candidates.
- ESB is responsible for flight/travel costs from the UK to the point of arrival in the host country.
- The Centre/organiser is responsible for all internal travel (including collection from and delivery to the airport/port/international train station), accommodation and all hospitality costs for each examiner.
- Any agreed examiner expenses not reimbursed during the assessment period will be invoiced by ESB after the assessment date.
- All travel arrangements need to be in place and confirmed no later than 3 months prior to the start of the assessment period.
- Invoices will be raised the day after the assessment has taken place.
