1. Introduction

- 1.1 We are an equal opportunities employer. We are committed to equality of opportunity and to providing a service and following practices which are free from unfair and unlawful discrimination. The aim of this policy is to ensure that no applicant or member of UK staff receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation, or is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance. It seeks also to ensure that no person is victimised or subjected to any form of bullying or harassment. The reference to ‘staff’ throughout this policy refers to all UK Employees only.
- 1.2 We value people as individuals with diverse opinions, cultures, lifestyles and circumstances. All employees are covered by this policy and it applies to all areas of employment including recruitment, selection, training, deployment, career development, and promotion. These areas are monitored and policies and practices are amended if necessary to ensure that no unfair or unlawful discrimination, intentional, unintentional, direct or indirect, overt or latent exists.
- 1.3 Our HR Team has particular responsibility for implementing and monitoring the Equality and Diversity in Employment Policy and, as part of this process, all personnel policies and procedures are administered with the objective of promoting equality of opportunity and eliminating unfair or unlawful discrimination.
- 1.4 UK staff and self-employed contractors whether part time, full time or temporary, will be treated fairly and with respect. Selection for employment, promotion, training, or any other benefit will be on the basis of aptitude and ability. All UK staff will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of English Speaking Board (International) Ltd. (ESB International).
- 1.5 Equality of opportunity, valuing diversity and compliance with the law is to the benefit of all individuals in ESB International as it seeks to develop the skills and abilities of its people. While specific responsibility for eliminating discrimination and providing equality of opportunity lies with managers and supervisors, individuals at all levels have a responsibility to treat others with dignity

and respect. The personal commitment of every employee to this policy and application of its principles are essential to eliminate discrimination and provide equality throughout the organisation.

- 1.6 This policy sets out ESB's approach to equality, diversity and inclusion. ESB is committed to making this policy fully effective in relation to its UK staff and self-employed contractors and learners and takes advice, where appropriate, from the Equality and Human Rights Commission and other sources.

2. ESB International's Responsibilities

ESB International is a registered charity and as such is committed to comply with [Equality Act: guidance for charities](#). The Equality Act 2010 makes it unlawful to discriminate against anyone because of a protected characteristic in a wide range of areas including employment and the provision of services (full list of protected characteristics is listed in point 6). There are some exceptions to this, including the charities' exception. The charities' exception allows a charity to limit its benefits to people who share a protected characteristic. Although this may exclude (and therefore discriminates against) people with other protected characteristics.

As an awarding organisation, ESB International will comply with Ofqual's Conditions of Recognition, which state:

A1.1 An awarding organisation must not, by means of any act or omission which has or is likely to have an Adverse Effect, render itself unsuitable to continue to be recognised for the award of a relevant qualification.

A1.2 For the purposes of Condition A1.1, an act or omission may include in particular one which results in the awarding organisation –
...(b) being held by a court or any professional, regulatory, or government body to have breached any provision of Competition Law, Equalities Law, or Data Protection Law.

Additionally, ESB International will always comply with Section 53 of The Equality Act 2010 which refers specifically to awarding organisations, requiring them not to discriminate, harass or victimise a person in relation to the conferment or withdrawal of a qualification. This policy should be read in conjunction with ESB International's [Reasonable Adjustments and Special Considerations Policy](#)

- UK staff and self-employed contractor is entitled to a working environment that promotes dignity and respect to all. No form of intimidation, bullying or harassment will be tolerated.

- Equality in the workplace is good management practice and makes sound business sense.
- We will review all our employment practices and procedures to ensure fairness.
- All ESB International's UK staff and self-employed contractors are required to comply with [The Equality Act 2010](#) and support equality and diversity, both in spirit and in practice. ESB International is committed to the prevention of discrimination on any grounds which are not appropriate to good employment or learning practice. ESB International actively promotes equality, diversity and inclusivity in the access and entitlement to its services.

4. ESB International's commitment as a service provider

- We aim to provide services to which all clients are entitled regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation, offending past, caring responsibilities or social class.
- We will make sure that our services are delivered equally and meet the diverse needs of our service users and clients by assessing and meeting the diverse needs of our clients.
- This policy is fully supported by senior management and has been agreed with employee representatives

- Breaches of our equality and diversity policy will be regarded as misconduct and could lead to disciplinary proceedings.

5. ESB International's commitment to equality, diversity and inclusion

ESB International's qualifications are suitable for a diverse range of learners. ESB International is committed to removing barriers to learning and accessing its products and ensuring equality of opportunity and inclusion for all its learners. ESB International's '[Reasonable Adjustments and Special Considerations Policy](#)' and product specifications describe the procedures for entering candidates with particular assessment requirements. ESB has an appeals procedure which conforms to regulatory requirements, details of which are in all policy documents and accessible on the website. Furthermore, if an individual believes that they have been discriminated against, they are asked to follow [ESB International's Enquiries, Complaints and Appeals Policy](#) which is available to download from the website.

ESB ensures that its qualifications are suitable for as diverse a range of learners as possible. It adheres to regulatory guidance in regards to the development, delivery, assessment and awarding of ESB International's qualifications to ensure there is no bias in content which might discriminate against or disadvantage any groups of learners sharing a particular characteristic, in terms of language, content or means of assessment, other than those directly related to the purpose of the unit qualifications. If any such feature or barriers are necessary, their nature and the reason or their inclusion are clearly explained.

ESB International will never reject a request relating to accessibility to its qualifications, except where acceptance of the request is not logistically possible or where acceptance would undermine the validity of the assessment or the reliability of the results criteria for the assessment. ESB International fulfils its obligation to meet the access arrangements requested for our learners in a way that does not disadvantage either them or their peers.
