

Activity: Create a story!

Pathway:	Speech to Perform
Assessment Section:	Section 3: Performing a Self-Composition
Activity Aim:	This activity promotes both group work and creativity. It requires learners to shape a narrative and it gets them thinking in a fun way!
Time:	15 minutes.
Delivery:	<p>In groups of three/four students, use the story starter below to develop an improvised story. There are no rigid rules about the story, but it must include everyone, contain dialogue, and should last between 2-3 minutes. The story can also be told or acted out.</p> <p>Story 1: This is a story about a message in a bottle:</p> 

Story 2: This is a story about following your dreams:

Story 3: This is a story about the importance of community:
