Introduction

English Speaking Board (International) Ltd. (ESB International) offers high-quality Speech and Language qualifications in the UK and internationally.

We aim to support learners to possess the oracy and English language skills they need to achieve their aspirations. ESB International has a full range of qualifications for learners of all ages and backgrounds which are designed to stretch the most able, support the least confident and realise the potential of all. Do contact ESB International via our website www.esbuk.org if you wish to find out more about our qualifications and how learners can progress.

Our assessments are marked and administered externally by ESB International. ESB International carries out moderation and standardisation of all its assessors to ensure their assessment of your learners is consistent and of the highest quality.

When you choose to be a centre of ESB International and prepare your learners for our assessments, we offer you support via our website and your centre's online booking hub, along with training and guidance for all of your staff involved with the learning experience. We are here to support you so that your learners achieve and enjoy the experience of assessment with ESB International.

Why does oracy matter for you?

Here at ESB (International) Ltd., we are dedicated to helping learners to flourish in their ability to communicate with confidence, to feel that their voice is important, and to enjoy speaking with and in front of others. Just as literacy and numeracy are important foundations for reading, writing and maths, oracy is a vital foundation for successful speaking, listening and communication. Confident and effective interpersonal and communication skills are key for employability, and also improve:

- self-esteem
- determination
- resilience
- collaborative working
- academic achievement
- mental health
- empathy
- learner agency
- confidence
- sense of identity

Our qualifications are based on educational theory and research into oracy and focus on the interactivity of communication and the personal development it creates.

- Assessments take place in groups.
- Learners have autonomy and can choose the content for their presentation, reading, and speaking by heart.
- Each section is a new opportunity to explore a different aspect of spoken language.
- Provides an opportunity to narrow the ‘word gap’ by becoming familiar with unfamiliar vocabulary, and utilising a range of tier 1, 2 and 3 vocabularies.
- Learners are assessed on what they achieve throughout the assessment and have a number of opportunities to meet every assessment criterion.

Through the content used for talks, poetry and books, preparation for an ESB assessment can be used to help deliver Personal, Social, Health and Economic (PSHE) education, contribute to learners’ Spiritual, Moral, Social and Cultural (SMSC) development, and promote citizenship and British values. Furthermore, the qualification can provide excellent opportunities to celebrate diversity, enrich cultural capital, and promote whole-school literacy and an ethos of reading for pleasure.

Group-based assessment

All our Speech qualifications are assessed in small groups of 6. This has several benefits for both the preparation and the assessment itself. Learners:

- are evaluated on their listening and interrogative skills with each other as well as the assessor;
- develop their skills amongst peers, enabling a supportive environment which research suggests can be effective in reducing stress and anxiety around public speaking (Raja, 2017; Akin, C., & Kunzman, G. G., 2012*);
- learn more about people they might not usually work with, giving them a wider insight into different interests, personality types and cultures;
- have plenty of opportunities to speak, which they would not have in a larger group.

The Four Sections

Our Graded Examinations in Speech qualifications are split into four sections, each with its own rationale and outcomes:

Presentation

- Present information succinctly.
- Carefully select vocabulary to impart their message.
- Utilise a range of tier 1, 2 and 3 vocabularies.
- Increase learner agency by taking ownership of their own learning.

Poetry by Heart

- Express emotion through another's words, connect and empathise.
- Explore different forms of creative language.
- Practise memory and recall techniques.
- Develop vocabulary through committing poetry to memory.
- Speak poetry from memory, allowing learners to focus on the rhythm, cadence, and subtleties of language.
- Research shows that memorising poetry can help to:
 - provide comfort in tough times;
 - appreciate and understand poetry;
 - make sense of life;
 - make connections between things;
 - increase confidence in memory;
 - be able to express ideas.

(The Poetry and Memory Project, University of Cambridge)

Reading Aloud

- Encourage reading for pleasure.
- Expose learners to a range of literature through their peers' choices.
- Discussion centred around reading and enjoyment of reading.
- Rehearse a piece of text to be read aloud, build confidence, and develop a natural reading rhythm and fluency.
- Being able to rehearse, practise and prepare a reading can allow nervous readers to feel less anxious.

Questions and Answers

- Develop higher-order questioning and thinking skills.
- Learn more about peers and gain appreciation and respect for their points of view.
- Build turn-taking and discussion skills.
- Autonomy of choice in each section encourages reluctant speakers to feel ownership of their material and gain confidence in their responses.

ESB Entry Level Award in Speech (Entry 1)

The ESB Entry Level Award in Speech (Entry 1) is an unregulated qualification, which promotes oracy and is designed to develop learners' speaking, reading, listening and responding skills. The qualification can build learners' confidence and help them to use their voice effectively.

- Read aloud a chosen passage of 100 words from a favourite story.

Standard English and ESB International Assessments

Standard English is the variety of English which has been regularised, with minor regional and national variations, as a world language. The aim of the national curriculum is that everyone should be able to use Standard English in relatively formal speaking.

<https://www.gov.uk/government/publications/national-curriculum-in-england-english-programmes-of-study>

For ESB International, Standard English is recognised as the variety of English which is most widely accepted and understood within an English-speaking country or throughout the English-speaking world. This encompasses the variety of English taught and used in schools, colleges and universities, used in formal writing, newspapers and in the broadcast media. It is the variety understood by most speakers of English, even if they use another variety for most spoken communication.

At ESB International, we use Standard English as a term to specify that the spoken language used by learners does not cause any difficulty of understanding for the Assessor and/or participants during an assessment. There is no requirement to conform linguistically to any particular accent or pronunciation model.

Assessment Overview

The assessment is divided into four sections:

Section 1 (40% of assessment): Talk – Show and Explain, 2 minutes.

Learners talk about an object, model or game and explain how it works or is used.

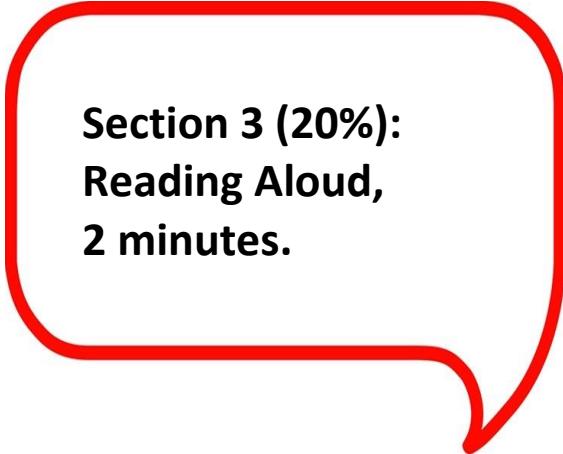

For example, they may talk about: *a collection they are building; something they have made; or a game they love to play.*

They should bring in the item related to their talk and show it to the group and the assessor.

Learners begin by giving the title of their chosen poem, the poet's name, and why they like it.

They should then recite their poem, sharing the content with the group and the assessor.

Section 2 (20%): Speaking by Heart (not self-composition), 1 minute.

Section 3 (20%): Reading Aloud, 2 minutes.

Learners begin by introducing their chosen book and saying why they like it, before reading a prepared passage of approximately 100 – 150 words.

Learners respond to questions from the group and the assessor after their talk.

They should also participate in a group discussion, joining in with comments and questions.

Section 4 (20%): Listening and Responding.

Learning Outcomes and Assessment Criteria

Learning outcomes set out the knowledge and skills a learner will be able to demonstrate as a result of the learning process. Assessment criteria set out what is required, in terms of actions, to meet a learning outcome.

The Entry Level Award in Speech (Entry 1) has the following learning outcomes and assessment criteria:

Assessment and Grading

Each assessment section, e.g. Section 1: Talk, is an activity in which the learners can achieve one or more learning outcomes (e.g. plan a talk). Each learning outcome has assessment criteria with grading descriptors that describe the learner's performance. The assessor reviews each learner completing the tasks and applies a descriptor to allocate one of the following grades to every assessment criterion: *Unsuccessful; Pass; Good Pass; Merit; Merit Plus; Distinction*.

Weighting

Each assessment criterion is weighted and Section 1 forms 40% of the assessment. In this section there are small differences in the weighting of assessment criteria for each grade; e.g. the descriptor for *Good Pass* in *Content* has a higher weighting than the descriptor for *Good Pass* in *Visual Aids*. From highest to lowest, the weightings are distributed as follows:

- Content
- Structure, Style, Communication
- Voice and Speech
- Visual Aids

Sections 2, 3 and 4 each form 20% of the assessment. Within those sections, the assessment criteria are equally weighted.

Report forms

The assessor completes a report form with a final grade and comments on strengths and areas to work on. Learners can be awarded one of the following grades:

- Unsuccessful
- Pass or Good Pass
- Merit or Merit Plus
- Distinction

Pass and Merit grades are differentiated with the additional endorsed grades of Good Pass and Merit Plus. The assessment model is compensatory. If a learner is *Unsuccessful* in an assessment criterion or number of criteria, they can still be awarded an overall *Pass* if they achieve a higher grade in another assessment criterion or group of criteria.

Certificates

Successful learners receive a certificate of *Pass, Merit* or *Distinction*. The ESB International endorsed grades of *Good Pass* and *Merit Plus* are noted on the certificate.
