

How Suitable?

SpaceX's Starship rocket starts a blaze in protected habitat surrounding Starbase during static fire test

TfL security guard 'spontaneously' teams up for duet with Cambridge University music director at station

Your choice of news item should:

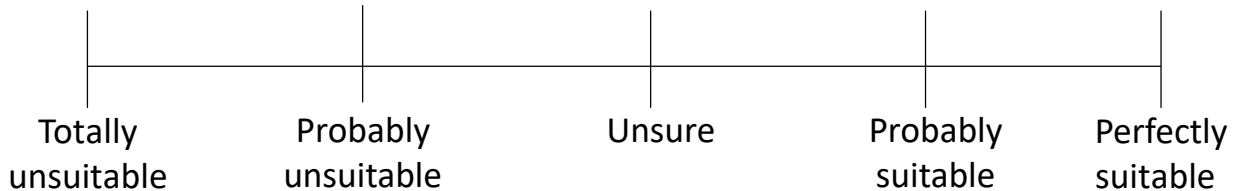

- ☐ Be of 'substance'.
- ☐ Be of suitable length and complexity to give you the opportunity to provide a full overview of the issues within a two minute window.
- ☐ Allow you to explain and advocate different viewpoints.
- ☐ Capture your audience's interest and generate meaningful debate.
- ☐ Give opportunities for further research.

Discuss the headlines (or full articles) together and decide how suitable they would be for your assessment.

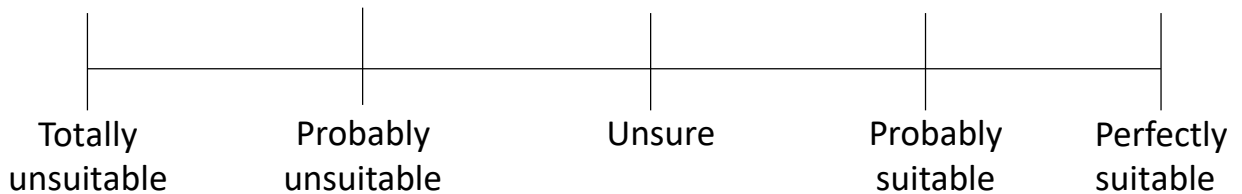

Which would you choose from the two? Why?
